

Let's adopt a positive approach to medical control.

MediCheck

Sales & Business Development Internship (FR & NL)

Description

Medicheck is a digital company that helps organizations reducing their absenteeism. It is a start-up that disrupts the market of medical control in Belgium in order to make it more transparent and respectful for employees and more efficient for employers. The company is strongly and quickly growing and has currently around 15 employees in his Headquarters located in Brussels, Belgium.

We are looking for French or Dutch speaking students with an entrepreneurial spirit to support our incredible and exciting commercial development and help us in our growth. Our business moves fast, the challenges we face change every week and you will be involved in every step of the way. You'll help on multiple aspects of the business depending on your knowledge and preferences.

Your future missions

- Doctor's network's development
- Companies' development
- Marketing and communication tasks
- Contribute to the innovation of the product
- Day-to-day operational tasks

This internship is for you if

- You speak either French and/or Dutch
- You are highly motivated, ambitious and dynamic
- You are independent and seek jobs with high levels of responsibilities/autonomy
- You are not afraid to take initiatives and make decisions fast
- You have a commercial mindset
- You like human interaction and are not afraid to pick up the phone

What we offer

- An experience where you mean something. Your actions will have a direct impact on the company.
- A great experience in a young and growing company
- The possibility to be part of a success story
- An awesome start-up environment in the most dynamic start-up hub in Belgium (Co.Station)
- Endless opportunities to acquire a wide range of skills
- A job opportunity if the internship goes well

Our motto

- "Done is better than perfect"
- "There is no problems, only solutions"
- "Learning by doing"

Join us to experience start-up experience from the inside, to discover what it's like to build a business and to learn new and valuable skills every day.
